COMMUNITY UPDATES

Did you know . . .

The Spring Creek Property Owners Association (SCPOA) is managed by:

- A dedicated group of volunteer Board of Directors
- PEKA Professional Property Management
- A part-time Spring Creek Community Events Coordinator

Together we work to build community through various initiatives, including the following:

LANDSCAPING and ENVIRONMENTAL MAINTENANCE

Spring Creek takes pride in the aesthetics of the community and maintains the common lands to a higher standard than other developments in Canmore. Your annual SCPOA fees covers the cost of maintaining this standard of excellence, which includes:

- Monitoring and liaising with contractors to ensure superior aesthetics
- Facilitating landscaping and snow removal for SCPOA lands and pathways
- Monitoring and reporting requirements for SCPOA geothermal irrigation wells

COMMUNITY DEVELOPMENT

The SCPOA Board of Directors is committed to supporting projects that make Spring Creek a beautiful, safe and enjoyable place to live. As our community grows, the scope of these projects also increase. These projects, funded by your SCPOA fees, include:

- Maintenance and repairs of all common SCPOA lands and assets
- Determining the annual budget and managing SCPOA finances
- Negotiations with the Town of Canmore on initiatives such as parking, signage, and infrastructure
- Performing annual grounds and asset inspections

NEWS & ACTIVITIES

Bridge Club

The Spring Creek Bridge Club started up in January of this year. We meet twice a month, usually on the 2nd and 4th Tuesday evenings to accommodate the working members.

The Bridge Club welcomes both knowledgeable and “new to the game” players. The Club is currently focused on learning, developing and improving our Bridge skills, while having a good time. Our members have fluctuated over the last few months; however, we have a lovely core group of members who all enjoy our evenings of card playing, discussions and laughs.

The Club hopes to progress our skills and solidify our numbers in order to play Duplicate Bridge in the future.

Interested people should check the SCPOA website at www.springcreekpoa.ca for future Club openings.

The Wood Restaurant Outing

Thanks to the 24 Spring Creek residents who attended our dinner at The Wood Restaurant on March 20th. It was great to see both familiar and new faces at this popular event. We were seated in a cozy area of the restaurant where everyone appeared to have a lovely time chatting, laughing and feasting. It was a pleasant evening for all.

Thanks to the staff of The Wood, who provided us with very efficient and friendly service, as well as delicious food!

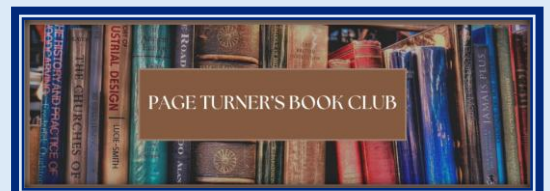

We hope to see even more people at our next restaurant outing. Stay tuned for future information.

Page Turners Book Club

Thanks to those members for their interest in our newly formed Spring Creek Page Turners Book Club. We had such a great response in our first month that we are unable to take in any additional new members at this time, as the group does meet in private residences.

Page Turners will continue to meet on the first Tuesday of the month, and when openings become available, we will post a notice in the newsletter and on the SCPOA website.

Happy reading!

SPECIAL EVENTS

CANMORE OPERA HOUSE

wiL & Co. at the Opera House April 19th

wiL's shows have been coined as legendary; his guitar style 'mesmerizing'; captivating listeners with his unusual strumming technique while creating lush, fat and full acoustic guitar sounds that have become signature to the enigmatic fiery, silver bearded frontman that heads up the west coast-based Indie folk rock outfit known as wiL & Co. The Company includes his long-time drummer Keith Gallant and on occasion, a roster of talented guest musicians.

wiL has been writing, recording and touring since the release of his thrice WCMA nominated (including a nod for Best Live Act), debut album Both Hands, sending him on tour across Canada with artists such as Colin James, Matthew Good, Burton Cummings and Matt Andersen. Standouts include opening for soul legend Mavis Staples, Canadian Indie darling, Feist, The Hip and one of his music heroes, Ray LaMontagne.

With countless shows under his belt, and a few sweet accolades that include penning 'Roam', the award-winning anthem for Travel Alberta, wiL spends his time off the road penning music for TV & film, practicing Goju Ryu Karate and riding anything with two wheels.

"Comparisons abound: John Mayer, Bob Iver ... but let it be said that this Calgary-bred, Vancouver Island based artist has set his own standard for sensitive singer-song craft, helped by a series of gorgeous music videos by Travel Alberta but to break the sensitive singer-songwriter stereotype, Wil Mimnaugh is decidedly unwimpy on stage - his website isn't called ibreakstrings.com just because it sounds cool" - Gig City Edmonton.

Tickets available at www.ibreakstrings.com/shows
